## EDUCATION

*Interaction Design* / 11/20/2015, GPA 4.0

Ecole Supérieure des Techniques Industrielles et des Textiles, Oklahoma City

## RELEVANT COURSES

- List courses that are directly relevant to the job for which you're applying.
- Use course titles rather than course numbers.
- Include details of the coursework or special projects that prove you have experience in your target industry.

## HONORS AND ACHIEVEMENTS

- Include things like being on the Dean's List (Semesters, Years)
- Mention high placements in competitions (especially if it's relevant to the job)
- Add other distinctions

## SOCIETIES AND EXTRACURRICULARS

- List your most relevant fraternities/sororities, clubs, teams, etc.
- Include your role within the organization. Always try to tie any information back to the job.

## WORK EXPERIENCE

*Interaction Designer* / NewFriendly ATS, Oklahoma City

9/13/2020 - 10/13/2020

It's OK that you don't have much work experience as a recent grad. Having industry-relevant internships will help, but any professional experience will be helpful.
