

The drawing shows a rectangular plate with a rectangular hole. The overall dimensions of the plate are 60 cm in width and 30 cm in height. The hole has a width of 20 cm and a height of 20 cm. The distance from the left edge of the plate to the left edge of the hole is 10 cm. The distance from the right edge of the hole to the right edge of the plate is 30 cm. The distance from the bottom edge of the plate to the bottom edge of the hole is 20 cm. The distance from the top edge of the hole to the top edge of the plate is 10 cm. The drawing is divided into two sections by a horizontal line. The top section shows the hole positioned 10 cm from the left edge and 20 cm from the bottom edge. The bottom section shows the hole positioned 49 cm from the left edge and 20 cm from the bottom edge. The dimensions are labeled in cm.

Note that door sill begins above height of floor due to external wood stud

Technical drawing of a cabinet. The drawing shows a side view of a cabinet with a door. The door is labeled with a width of 79 cm and a height of 30 cm. The cabinet has a base and a top panel. The drawing is a line drawing with dimensions.

Indicates position of identical windows on either side
